Chicago Lodgers Block Club Meeting Recap

At its block club meeting in January the Dynamic Chicago Lodgers Block Club celebrated the successful events and activities held in 2022, developed goals for 2023, and discussed the activities to help them achieve these goals. Officers were also elected. A shout out was given to those neighbors from other Block Clubs who came out and helped cut down a tree that was blocking our street during the terrible storm we had last year. We also congratulated the many block club members who participated in the HBEA Holiday Home Tour Weekend of activities, especially Meredith Grimm who served as co-chair of the HHT and Deniera Davis, who served as co-chair of the HHT Weekend Along with Dianne Bostic Robinson, and Chair of the Virtual HHT.

It was decided to continue with the new activity of having a Progressive Holiday Dinner Celebration replicated from the Longfellow Block Club, which they have held for many years. A great time was had by all with great camaraderie and our stomachs were full with some great food. The current officers were re-elected, Dianne Bostic Robinson, President, Deborah Mahoney, Vice President, Fred Hill, Treasurer, Meaghan Marion, Secretary. Pierce Rabon was appointed Archivist/Historian. Upcoming events the club is looking forward to include Motor City Makeover, block club happy hour, and our yearly picnic!

Thank you very much for your time, Meaghan Marion

Celebrating Louise Glenn

Louise Glenn, a 47 year resident of HBEA, passed Feb 23, 2023 at 95. She participated in The Holiday Home Tour, Picnic in the Park, donated to the cookie monster and volunteered when she could. She also worked the Barack Obama campaign in 2008 and the 2010 Census in the surrounding neighborhoods. Her daughter, Dale, has cared for her over the last 9 years. Louise was known for her past contributions and will be so missed.

Calling All Residents

VOLUNTEERS NEEDED

Due to the recent home invasion attempts and car break-ins/thefts in Historic Boston-Edison, the HBEA Public Safety Committee is looking for neighbor volunteers to help keep residents of our community safer.

You may have noticed an increase of Detroit police presence, as well as the new private security patrols during the holiday season. The new security patrols are in addition to the current patrols we receive from DSS Security and are intended to showcase a higher security profile.

However, more “watchful eyes” are needed. The HBEA Public Safety Committee is recruiting volunteers to join the Historic Boston-Edison’s Mobile Patrol Team. **All Boston-Edison residents can sign up [HERE](#) to volunteer.**

We strongly encourage all residents to report any emergency or suspicious activity to 911 and then we ask you to report it to our new Public Safety Link [HERE](#). This new link will help us to gather and track information allowing us to become more proactive in meeting the safety concerns of our neighborhood.

In the meantime, please be safe and continue to provide a watchful eye for yourselves and your neighbors.
