May 14, 2007

Dear Historic Boston Edison District Realtor, Broker or Seller:

On **Sunday, June 24, 2007**, the Historic Boston Edison Association will host a **Realtor Community Open House** event. The purpose of the event is to educate and inform prospective homebuyers about owning and maintaining a historic home. It will allow real estate brokers, agents, and property owners with listed properties the opportunity to showcase the beautiful and elegant homes within the Historic Boston Edison District.

The event will begin at **10:00 a.m. with an informational briefing/brunch at the Sacred Heart Seminary** located at 2701 Chicago Boulevard (on the corner of Linwood) for real estate professionals.

Prospective buyers will have the opportunity to pick-up listings of homes in the area, talk with current residents, obtain information about the history and amenities of the area as well as learn about the tax incentives, beginning at 12:30 p.m. At 1:30 p.m. the open house begins and will run through 6:00 p.m.

As one of the oldest and largest historic districts in the city of Detroit, the emphasis of information shared with prospective buyers will be the significance of the Boston Edison district as a community of 930 distinct homes. We will **advertise the event nationally as well as locally, seeking to attract prospective buyers with a true understanding, appreciation and commitment to preservation.**

Participating realtors are also offered an opportunity to advertise on the HBEA website –www.historicbostonedison.org as described on the attached registration form. If you have questions regarding the event or how you may participate, please contact me at (313) 867-3112.

Sincerely,

Pamela Miller Malone

Event Coordinator
